Hearing Assist Devices

Through your generosity, we now have new hearing assist devices in the Centrum. Reports are that these new devices are much better than our previous system. Some individuals have asked if they can purchase their own devices to take home and bring with them on Sunday mornings.

Units cost \$195 and must be purchased through the church. They include the unit, an earpiece, and a USB charging cord.

If you are interested don't hesitate to get in touch with Ronda in the church office. We will collect orders and place an order on May 15th. Payment must be submitted in advance of the order through the church office.

*Payments submitted must note "Hearing Device" in the memo line or on the envelope.
