Making Jesus Your Priority

When preparing for mission, begin by learning about “missio Dei,” the mission of God. As you listen and learn, set your focus on the love of God you have experienced in and through Jesus.

Part of your preparation is helping individuals know that they are “beloved children of God,” and that God has something special for them to do as God’s children. Improve the acoustics so that people can hear God’s call amid the many callings in their lives.
