Being About God's Business

How do you prepare for mission? What information do you need? Whose direction do you follow? When it comes to mission, information and direction are important, but who you listen to, and who you follow is crucial. When it comes to mission, it matters where you start.

Podcast Update

We're switching things up this week. Instead of a regular episode, we're sharing a short, 3 minute update on why we're dropping three episodes next week, instead of our weekly episodes. We'll be back next week with 3 episodes and return to our normal weekly podcast episodes on February 24.

One Bag at a Time

Because of inclement weather, some of you may not have received a bag. Bags will be available after worship services—just grab one, fill it with the items that are circled, and bring it back to the church to help meet the needs of our Blessing Closet.
