Weberwood Backpack Ministry

Thank you for supporting the Weberwood Backpack Ministry during the 25-26 school year. With school ending May 29, we are no longer collecting food items as we clear our shelves. Remaining needs will be purchased through donated funds.

For financial donations, please note "Weberwood Backpack Ministry" when giving via Text-To-Give at 304-970-9770 or on your check. Thank you for making a difference in the lives of these students.

One Bag at a Time

As part of our One Bag at a Time ministry, pick up your bag this Sunday, fill it with the items listed on the outside, and return it to the church. Thank you for helping care for our neighbors in a meaningful way.

Begin to Engage Your Community - Part 5

Engaging the community is about God's business. It is about following Jesus into the community and relating to and loving others within the community.

As you focus on God's business, one way to discover your particular focus is to ask God, "What do we need to be doing that no one else is doing?" God will answer your prayer by opening opportunities you may not have considered. By broadening your perspective on the community, you will begin to recognize where God is working.

United Women in Faith

The response to the UWif Food Drive has been incredible! Donations have continued coming in faster than we can count them, with even more expected this week. With one Sunday still remaining, we are so close to reaching, and possibly surpassing, our 1,000-item goal.

Donations may still be placed on the table in the Narthex before, between, and after services on Sunday, or dropped off throughout the week in the Library.

The final donation total will be announced in next Wednesday's update. Thank you for the incredible love and support you continue to show our Charleston neighbors through this ministry!
